BUILDERS ACCESSORIES, INC. STRIVES TO PROVIDE INNOVATIVE BLOCK WINDOW PRODUCTS AND HIGH QUALITY SERVICE

PHOENIX, AZ, - Incorporated in 1992, Builders Accessories continues to seek out new and better ways to improve their product line of Crystal View™ acrylic and glass block window systems. As the popularity of prefabricated block windows continues to increase, there are elevated concerns about the quality of product being introduced into the building materials market. A pioneering leader in the advancement of prefabricated block window products, Builders Accessories has taken it upon themselves to raise the bar amongst the competition by offering a broad product line of high performing, energy efficient and flexible block window products at a reasonable price.

Maintaining a high level of customer service, Builders Accessories utilizes both regional sales representatives and inside sales agents in a constant effort to enhance the efficient distribution of its product lines. Available across North America and overseas through authorized dealers and certified manufactures their extensive line of vinyl and aluminum framed Crystal View™ block windows are offered in all standard six inch and eight inch block windows sizes. Lightweight and prefabricated for easy installation, these energy conscious block windows are perfect for all types of installations. For more information about Crystal View™ block window products, and other specialty window products available through Builder Accessories, contact Erick Felsch, Sales and Marketing Director, Builders Accessories, Inc., 3621 East Wier Avenue, Phoenix, AZ 85040.
