FOR IMMEDIATE RELEASE

Mix and Match Your Own Custom Windows with Builders Accessories, Inc.™

Phoenix, AZ ~ February 20, 2007 ~ Builders Accessories, Inc.™ recently began offering its two new lines of block patterns, Elegant and Radiant. Builders Accessories's design team has created some window designs of their own for customers to choose from. Customers can also create their own window designs that will best accommodate their own needs, preferences and window dimensions.

"You envision it ... We create it. Choose from any of our acrylic block patterns and ignite your imagination!" That's how the slogan goes and Builders Accessories, Inc.™ is following through with this new and exciting promotion. You don't have to be an Interior Designer to enjoy creating a new look for your surroundings ~ especially when you have the capability to create your own custom window designs at your fingertips. With Crystal View™ windows by Builders Accessories, Inc.™ ANYTHING is possible.

For more information and photos regarding the new Mix and Match promotion, check out www.acrylicblock.com. If you would like to become a dealer or are looking for more detailed information about Crystal View™ block window products and other specialty window products available through Builders Accessories™, contact Lars Hjalmquist, National Sales Director, Builders Accessories, Inc.™, 3621 East Wier Avenue, Phoenix, AZ 85040.

About Builders Accessories, Inc. ~ Builders Accessories, Inc.™ is the manufacturer of Crystal View™ prefabricated acrylic block and glass block window systems. Available worldwide through authorized dealers and certified manufacturers, our extensive line of vinyl and aluminum-framed block windows are offered in several different block patterns in both standard and custom window sizes. Lightweight and prefabricated for easy installation, these energy conscious block windows are available with an ULTRA Low-E™ option and are perfect for all types of installations in both fixed and operable models.
